Native Integration

No more EHS adapters needed, connect desk phone directly with one USB cable. And 2 Micro USB ports contained in the base, supporting connect with PC and phone simultaneously. Integrated deeply with Yealink IP Phones, you can just feel the crystal call experience at the moment of wearing WH63. Also work with popular UC platforms, achieving all-round collaboration.

Be Heard Crystal Clearly

With Yealink Acoustic Shield Technology, the two Microphones built in WH63 block the background noise automatically but ensure participant voice be heard clearly, greatly boost the communication efficiency.

Interruption Free

Busylight is enabled in WH63. With the light on the headset or BLT60 on the desk turning red, people around you would know that you are on the phone, instead of interrupting you unknowingly. Just stay focused on conversation, for higher efficiency, for better collaboration.

Multiple wearing options

WH63 supports different ways of wearing, ear-hook, headband, and neckband, satisfying personalized needs. It can also free you up to 120m away from the desk, enjoying larger workspace and bettering work experience.
